PREFACE

The Federal Election Commission (FEC) has prepared this new compilation of Federal election campaign laws to reflect the latest changes in the law. The 1979 Amendments became effective on January 8, 1980.

There are three major sections of this new compilation:

1. FEDERAL ELECTION CAMPAIGN LAWS: The text of the "Federal Election Campaign Act (FECA) of 1971," as amended, the "Presidential Election Campaign Fund Act," as amended, and the "Presidential Primary Matching Payment Account Act," as amended, contained in titles 2 and 26 of the United States Code. (*See* Amendments in 1974, 1976, 1977, 1979, 1981, 1983 and 1984: Pub. L. No. 93-443, Pub. L. No. 94-283, Pub. L. No. 95-216, Pub. L. No. 96-187, Pub. L. No. 97-51, Pub. L. No. 98-63, Pub. L. No. 98-355 and Pub. L. No. 98-620, respectively.)

2. APPENDIX: The text of additional provisions of the United States Code, which are not in the FECA but may be relevant to persons involved with Federal elections.

3. INDEX TO TITLES 2 and 26: A special index prepared by the FEC.

This compilation is presented in codified form, with FECA section numbers converted to United States Code section numbers, in order to facilitate cross-references between this pamphlet, the United States Code, and the United States Code Annotated, and in order to be consistent with prior compilations of Federal election laws that also used the United States Code section numbers.

Readers should be aware that some terms in the law are defined differently in different titles. Thus, the meaning of a particular term may not be consistent throughout this pamphlet. Care should be exercised, therefore, to check the definitions provided in each title or section.

Copies of this compilation are available from the Federal Election Commission, Washington, D.C. 20463.

(2) Nothing in this Act shall be construed to limit, restrict, or diminish any investigatory, informational, oversight, supervisory, or disciplinary authority or function of the Congress or any committee of the Congress with respect to elections for Federal office.

(c) *Voting requirements; delegation of authorities.* All decisions of the Commission with respect to the exercise of its duties and powers under the provisions of this Act shall be made by a majority vote of the members of the Commission. A member of the Commission may not delegate to any person his or her vote or any decision-making authority or duty vested in the Commission by the provisions of this Act, except that the affirmative vote of 4 members of the Commission shall be required in order for the Commission to take any action in accordance with paragraph (6), (7), (8), or (9) of section 437d(a) of this title or with chapter 95 or chapter 96 of title 26.

(d) *Meetings.* The Commission shall meet at least once each month and also at the call of any member.

(e) *Rules for conduct of activities; judicial notice of seal; principal office.* The Commission shall prepare written rules for the conduct of its activities, shall have an official seal which shall be judicially noticed, and shall have its principal office in or near the District of Columbia (but it may meet or exercise any of its powers anywhere in the United States).

(f) *Staff director and general counsel; appointment and compensation; appointment and compensation of personnel and procurement of intermittent services by staff director; use of assistance, personnel, and facilities of Federal agencies and departments; counsel for defense of actions.*

(1) The Commission shall have a staff director and a general counsel who shall be appointed by the Commission. The staff director shall be paid at a rate not to exceed the rate of basic pay in effect for level IV of the Executive

Schedule (5 U.S.C. 5315). The general counsel shall be paid at a rate not to exceed the rate of basic pay in effect for level V of the Executive Schedule (5 U.S.C. 5316). With the approval of the Commission, the staff director may appoint and fix the pay of such additional personnel as he or she considers desirable without regard to the provisions of title 5, United States Code, governing appointments in the competitive service.[1]

(2) With the approval of the Commission, the staff director may procure temporary and intermittent services to the same extent as is authorized by section 3109(b) of title 5, United States Code, but at rates for individuals not to exceed the daily equivalent of the annual rate of basic pay in effect for grade GS-15 of the General Schedule (5 U.S.C. 5332).

(3) In carrying out its responsibilities under this Act, the Commission shall, to the fullest extent practicable, avail itself of the assistance, including personnel and facilities of other agencies and departments of the United States. The heads of such agencies and departments may make available to the Commission such personnel, facilities, and other assistance, with or without reimbursement, as the Commission may request.

(4) Notwithstanding the provisions of paragraph (2), the Commission is authorized to appear in and defend against any action instituted under this Act, either—

(A) by attorneys employed in its office, or

(B) by counsel whom it may appoint, on a temporary basis as may be necessary for such purpose, without regard to the provisions of title 5, United States Code, governing appointments in the competitive service, and whose compensation it may fix without regard to the provisions of chapter 51 and subchapter III of chapter 53 of such title. The compensation of counsel so appointed on a temporary basis shall be paid out of any funds otherwise available to pay the compensation of employees of the Commission.

§ 437d. Powers of the Commission

(2) to administer oaths or affirmations;

(3) to require by subpoena, signed by the chairman or the vice chairman, the attendance and testimony of witnesses and the production of all documentary evidence relating to the execution of its duties;

(4) in any proceeding or investigation, to order testimony to be taken by deposition before any person who is designated by the Commission and has the power to administer oaths and, in such instances, to compel testimony and the production of evidence in the same manner as authorized under paragraph (3);

(5) to pay witnesses the same fees and mileage as are paid in like circumstances in the courts of the United States;

(6) to initiate (through civil actions for injunctive, declaratory, or other appropriate relief), defend (in the case of any civil action brought under section 437g(a)(8) of this title) or appeal any civil action in the name of the Commission to enforce the provisions of this Act and chapter 95 and chapter 96 of title 26, through its general counsel;

(7) to render advisory opinions under section 437f of this title;

(8) to develop such prescribed forms and to make, amend, and repeal such rules, pursuant to the provisions of chapter 5 of title 5, United States Code, as are necessary to carry out the provisions of this Act and chapter 95 and chapter 96 of title 26; and

(9) to conduct investigations and hearings expeditiously, to encourage voluntary compliance, and to report apparent violations to the appropriate law enforcement authorities.

(b) *Judicial orders for compliance with subpoenas and orders of Commission; contempt of court.* Upon petition by the Commission, any United States district court within the jurisdiction of which any inquiry is being carried on may, in case of refusal to obey a subpoena or order of the Commission issued under subsection (a) of this section, issue an order requiring compliance. Any failure to obey the order of the court may be punished by the court as a contempt thereof.

(c) *Civil liability for disclosure of information.* No person shall be subject to civil liability to any person (other than the

Commission or the United States) for disclosing information at the request of the Commission.

(d) *Concurrent transmissions to Congress or member of budget estimates, etc.; prior submission of legislative recommendations, testimony, or comments on legislation.*

(1) Whenever the Commission submits any budget estimate or request to the President or the Office of Management and Budget, it shall concurrently transmit a copy of such estimate or request to the Congress.

(2) Whenever the Commission submits any legislative recommendation, or testimony, or comments on legislation, requested by the Congress or by any Member of the Congress, to the President or the Office of Management and Budget, it shall concurrently transmit a copy thereof to the Congress or to the Member requesting the same. No officer or agency of the United States shall have any authority to require the Commission to submit its legislative recommendations, testimony, or comments on legislation, to any office or agency of the United States for approval, comments, or review, prior to the submission of such recommendations, testimony, or comments to the Congress.

(e) *Exclusive civil remedy for enforcement.* Except as provided in section 437g(a)(8) of this title, the power of the Commission to initiate civil actions under subsection(a)(6) of this section shall be the exclusive civil remedy for the enforcement of the provisions of this Act.

§ 437f. Advisory opinions

(a) *Requests by persons, candidates, or authorized committees; subject matter; time for response.*

(1) Not later than 60 days after the Commission receives from a person a complete written request concerning the application of this Act, chapter 95 or chapter 96 of title 26, or a rule or regulation prescribed by the Commission, with respect to a specific transaction or activity by the person, the Commission shall render a written advisory opinion relating to such transaction or activity to the person.

(2) If an advisory opinion is requested by a candidate, or any authorized committee of such candidate, during the 60-day period before any election for Federal office involving the requesting party, the Commission shall render a written advisory opinion relating to such request no later

than 20 days after the Commission receives a complete written request.

(b) *Procedures applicable to initial proposal of rules or regulations, and advisory opinions.* Any rule of law which is not stated in this Act or in chapter 95 or chapter 96 of title 26 may be initially proposed by the Commission only as a rule or regulation pursuant to procedures established in section 438(d) of this title. No opinion of an advisory nature may be issued by the Commission or any of its employees except in accordance with the provisions of this section.

(c) *Persons entitled to rely upon opinions; scope of protection for good faith reliance.*

(1) Any advisory opinion rendered by the Commission under subsection (a) of this section may be relied upon by—

(A) any person involved in the specific transaction or activity with respect to which such advisory opinion is rendered; and

(B) any person involved in any specific transaction or activity which is indistinguishable in all its material aspects from the transaction or activity with respect to which such advisory opinion is rendered.

(2) Notwithstanding any other provisions of law any person who relies upon any provision or finding of an advisory opinion in accordance with the provisions of paragraph (1) and who acts in good faith in accordance with the provisions and findings of such advisory opinion shall not, as a result of any such act, be subject to any sanction provided by this Act or by chapter 95 or chapter 96 of title 26.

(d) *Requests made public; submission of written comments by interested public.* The Commission shall make public any requests made under subsection (a) of this section for an advisory opinion. Before rendering an advisory opinion, the Commission shall accept written comments submitted by any interested party within the 10-day period following the date the request is made public.

§ 437g. Enforcement

(a) *Administrative and judicial practice and procedure.*

(1) Any person who believes a violation of this Act or of chapter 95 or chapter 96 of title 26 has occurred, may file a complaint with the Commission. Such complaint shall be in writing, signed and sworn to by the person filing such

complaint, shall be notarized, and shall be made under penalty of perjury and subject to the provisions of section 1001 of title 18, United States Code. Within 5 days after receipt of a complaint, the Commission shall notify, in writing, any person alleged in the complaint to have committed such a violation. Before the Commission conducts any vote on the complaint, other than a vote to dismiss, any person so notified shall have the opportunity to demonstrate, in writing, to the Commission within 15 days after notification that no action should be taken against such person on the basis of the complaint. The Commission may not conduct any investigation or take any other action under this section solely on the basis of a complaint of a person whose identity is not disclosed to the Commission.

(2) If the Commission, upon receiving a complaint under paragraph (1) or on the basis of information ascertained in the normal course of carrying out its supervisory responsibilities, determines, by an affirmative vote of 4 of its members, that it has reason to believe that a person has committed, or is about to commit, a violation of this Act or chapter 95 or chapter 96 of title 26, the Commission shall, through its chairman or vice chairman, notify the person of the alleged violation. Such notification shall set forth the factual basis for such alleged violation. The Commission shall make an investigation of such alleged violation, which may include a field investigation or audit, in accordance with the provisions of this section.

(3) The general counsel of the Commission shall notify the respondent of any recommendation to the Commission by the general counsel to proceed to a vote on probable cause pursuant to paragraph (4)(A)(i). With such notification, the general counsel shall include a brief stating the position of the general counsel on the legal and factual issues of the case. Within 15 days of receipt of such brief, respondent may submit a brief stating the position of such respondent on the legal and factual issues of the case, and replying to the brief of general counsel. Such briefs shall be filed with the Secretary of the Commission and shall be considered by the Commission before proceeding under paragraph (4).

(4) (A) (i) Except as provided in clause (ii), if the Commission determines, by an affirmative vote of 4 of its members, that there is probable cause to believe that any person has committed, or is about

to commit, a violation of this Act or of chapter 95 or chapter 96 of title 26, the Commission shall attempt, for a period of at least 30 days, to correct or prevent such violation by informal methods of conference, conciliation, and persuasion, and to enter into a conciliation agreement with any person involved. Such attempt by the Commission to correct or prevent such violation may continue for a period of not more than 90 days. The Commission may not enter into a conciliation agreement under this clause except pursuant to an affirmative vote of 4 of its members. A conciliation agreement, unless violated, is a complete bar to any further action by the Commission, including the bringing of a civil proceeding under paragraph (6)(A).

(ii) If any determination of the Commission under clause (i) occurs during the 45-day period immediately preceding any election, then the Commission shall attempt, for a period of at least 15 days, to correct or prevent the violation involved by the methods specified in clause (i).

(B) (i) No action by the Commission or any person, and no information derived, in connection with any conciliation attempt by the Commission under subparagraph (A) may be made public by the Commission without the written consent of the respondent and the Commission.

(ii) If a conciliation agreement is agreed upon by the Commission and the respondent, the Commission shall make public any conciliation agreement signed by both the Commission and the respondent. If the Commission makes a determination that a person has not violated this Act or chapter 95 or chapter 96 of title 26, the Commission shall make public such determination.

(5) (A) If the Commission believes that a violation of this Act or of chapter 95 or chapter 96 of title 26 has been committed, a conciliation agreement entered into by the Commission under paragraph (4)(A) may include a requirement that the person involved in such conciliation agreement shall pay a civil penalty which does not exceed the greater of $5,000 or an amount

equal to any contribution or expenditure involved in such violation.

(B) If the Commission believes that a knowing and willful violation of this Act or of chapter 95 or chapter 96 of title 26 has been committed, a conciliation agreement entered into by the Commission under paragraph (4)(A) may require that the person involved in such conciliation agreement shall pay a civil penalty which does not exceed the greater of $10,000 or an amount equal to 200 percent of any contribution or expenditure involved in such violation.

(C) If the Commission by an affirmative vote of 4 of its members, determines that there is probable cause to believe that a knowing and willful violation of this Act which is subject to subsection (d) of this section, or a knowing and willful violation of chapter 95 or chapter 96 of title 26, has occurred or is about to occur, it may refer such apparent violation to the Attorney General of the United States without regard to any limitations set forth in paragraph (4)(A).

(D) In any case in which a person has entered into a conciliation agreement with the Commission under paragraph (4)(A), the Commission may institute a civil action for relief under paragraph (6)(A) if it believes that the person has violated any provision of such conciliation agreement. For the Commission to obtain relief in any civil action, the Commission need only establish that the person has violated, in whole or in part, any requirement of such conciliation agreement.

(6) (A) If the Commission is unable to correct or prevent any violation of this Act or of chapter 95 or chapter 96 of title 26, by the methods specified in paragraph (4)(A), the Commission may, upon an affirmative vote of 4 of its members, institute a civil action for relief, including a permanent or temporary injunction, restraining order, or any other appropriate order (including an order for a civil penalty which does not exceed the greater of $5,000 or an amount equal to any contribution or expenditure involved in such violation) in the district court of the United States for the district in which the person against whom such action is brought is found, resides, or transacts business.

(B) In any civil action instituted by the Commission under subparagraph (A), the court may grant a permanent or temporary injunction, restraining order, or other order, including a civil penalty which does not exceed the greater of $5,000 or an amount equal to any contribution or expenditure involved in such violation, upon a proper showing that the person involved has committed, or is about to commit (if the relief sought is a permanent or temporary injunction or a restraining order), a violation of this Act or chapter 95 or chapter 96 of title 26.

(C) In any civil action for relief instituted by the Commission under subparagraph (A), if the court determines that the Commission has established that the person involved in such civil action has committed a knowing and willful violation of this Act or of chapter 95 or chapter 96 of title 26, the court may impose a civil penalty which does not exceed the greater of $10,000 or an amount equal to 200 percent of any contribution or expenditure involved in such violation.

(7) In any action brought under paragraph (5) or (6), subpoenas for witnesses who are required to attend a United States district court may run into any other district.

(8) (A) Any party aggrieved by an order of the Commission dismissing a complaint filed by such party under paragraph (1), or by a failure of the Commission to act on such complaint during the 120-day period beginning on the date the complaint is filed, may file a petition with the United States District Court for the District of Columbia.

(B) Any petition under subparagraph (A) shall be filed, in the case of a dismissal of a complaint by the Commission, within 60 days after the date of the dismissal.

(C) In any proceeding under this paragraph the court may declare that the dismissal of the complaint or the failure to act is contrary to law, and may direct the Commission to conform with such declaration within 30 days, failing which the complainant may bring, in the name of such complainant, a civil action to remedy the violation involved in the original complaint.

(9) Any judgment of a district court under this subsection may be appealed to the court of appeals, and the

judgment of the court of appeals affirming or setting aside, in whole or in part, any such order of the district court shall be final, subject to review by the Supreme Court of the United States upon certiorari or certification as provided in section 1254 of title 28, United States Code.

(10) *Repealed.*[1]

(11) If the Commission determines after an investigation that any person has violated an order of the court entered in a proceeding brought under paragraph (6), it may petition the court for an order to hold such person in civil contempt, but if it believes the violation to be knowing and willful it may petition the court for an order to hold such person in criminal contempt.

(12) (A) Any notification or investigation made under this section shall not be made public by the Commission or by any person without the written consent of the person receiving such notification or the person with respect to whom such investigation is made.

(B) Any member or employee of the Commission, or any other person, who violates the provisions of subparagraph (A) shall be fined not more than $2,000. Any such member, employee, or other person who knowingly and willfully violates the provisions of subparagraph (A) shall be fined not more than $5,000.

(b) *Notice to persons not filing reports prior to institution of enforcement action; publication of identity of persons and unfiled reports.* Before taking any action under subsection (a) of this section against any person who has failed to file a report required under section 434(a)(2)(A)(iii) of this title for the calendar quarter immediately preceding the election involved, or in accordance with section 434(a)(2)(A)(i), the Commission shall notify the person of such failure to file the required reports. If a satisfactory response is not received within 4 business days after the date of notification, the Commission shall, pursuant to section 438(a)(7) of this title, publish before the election the name of the person and the report or reports such person has failed to file.

(c) *Reports by Attorney General of apparent violations.* Whenever the Commission refers an apparent violation to the Attorney General, the Attorney General shall report to the

---

[1] *Expedited Judicial Review.* Section 402(1)(A) of Pub. L. No. 98-620, effective November 11 1984, repealed subparagraph (a)(10). The repealed provision had required that actions brought under this subsection be advanced on the docket of the court in which filed and put ahead of all other actions.

Commission any action taken by the Attorney General regarding the apparent violation. Each report shall be transmitted within 60 days after the date the Commission refers an apparent violation. and every 30 days thereafter until the final disposition of the apparent violation.

(d) *Penalties; defenses; mitigation of offenses.*

(1) (A) Any person who knowingly and willfully commits a violation of any provision of this Act which involves the making, receiving, or reporting of any contribution or expenditure aggregating $2,000 or more during a calendar year shall be fined, or imprisoned for not more than one year, or both. The amount of this fine shall not exceed the greater of $25,000 or 300 percent of any contribution or expenditure involved in such violation.

(B) In the case of a knowing and willful violation of section 441b(b)(3), the penalties set forth in this subsection shall apply to a violation involving an amount aggregating $250 or more during a calendar year. Such violation of section 441b(b)(3) may incorporate a violation of section 441c(b), 441f or 441g of this title.

(C) In the case of a knowing and willful violation of section 441h of this title, the penalties set forth in this subsection shall apply without regard to whether the making, receiving, or reporting of a contribution or expenditure of $1,000 or more is involved.

(2) In any criminal action brought for a violation of any provision of this Act or of chapter 95 or chapter 96 of this title 26, any defendant may evidence their lack of knowledge or intent to commit the alleged violation by introducing as evidence a conciliation agreement entered into between the defendant and the Commission under subsection (a)(4)(A) which specifically deals with the act or failure to act constituting such violation and which is still in effect.

(3) In any criminal action brought for a violation of any provision of this Act or of chapter 95 or chapter 96 of title 26, the court before which such action is brought shall take into account, in weighing the seriousness of the violation and in considering the appropriateness of the penalty to be imposed if the defendant is found guilty, whether—

(A) the specific act or failure to act which constitutes the violation for which the action was brought is the subject of a conciliation agreement entered into between the defendant and the Commission under subparagraph (a)(4)(A);

(B) the conciliation agreement is in effect; and

(C) the defendant is, with respect to the violation involved, in compliance with the conciliation agreement.

§ 437h. Judicial review

(a) *Actions including declaratory judgments, for construction of constitutional questions; eligible plaintiffs; certification of such questions to courts of appeals sitting en banc.* The Commission, the national committee of any political party, or any individual eligible to vote in any election for the office of President may institute such actions in the appropriate district court of the United States, including actions for declaratory judgment, as may be appropriate to construe the constitutionality of any provision of this Act. The district court immediately shall certify all questions of constitutionality of this Act to the United States court of appeals for the circuit involved, which shall hear the matter sitting en banc.

(b) *Appeal to Supreme Court; time for appeal.* Notwithstanding any other provision of law, any decision on a matter certified under subsection (a) of this section shall be reviewable by appeal directly to the Supreme Court of the United States. Such appeal shall be brought no later than 20 days after the decision of the court of appeals.

NOTE: *Expedited Judicial Review.* Section 402(1)(B) of Pub. L. No. 98-620, effective November 11, 1984, repealed former subsection (c) of 2 U.S.C. § 437h. The deleted provision had required that the Federal appellate courts, including the United States Supreme Court, advance any matter under this section on their dockets and expedite it to the greatest extent possible. Sections 402(28) (E) and (F) also repealed similar expedited review language in 26 U.S.C. §§ 9010 and 9011.

§ 438. Administrative provisions

(a) *Duties of Commission.* The Commission shall—

(1) prescribe forms necessary to implement this Act;

(2) prepare, publish, and furnish to all persons required to file reports and statements under this Act a manual recommending uniform methods of bookkeeping and reporting;

(3) develop a filing, coding, and cross-indexing system consistent with the purposes of this Act.

(4) within 48 hours after the time of the receipt by the Commission of reports and statements filed with it, make them available for public inspection, and copying, at the expense of the person requesting such copying, except that any information copied from such reports or statements may not be sold or used by any person for the purpose of soliciting contributions or for commercial purposes, other than using the name and address of any political committee to solicit contributions from such committee. A political committee may submit 10 pseudonyms on each report filed in order to protect against the illegal use of names and addresses of contributors, provided such committee attaches a list of such pseudonyms to the appropriate report. The Clerk, Secretary, or the Commission shall exclude these lists from the public record;

(5) keep such designations, reports, and statements for a period of 10 years from the date of receipt, except that designations, reports, and statements that relate solely to candidates for the House of Representatives shall be kept for 5 years from the date of their receipt;

(6) (A) compile and maintain a cumulative index of designations, reports, and statements filed under this Act, which index shall be published at regular intervals and made available for purchase directly or by mail;

(B) compile, maintain, and revise a separate cumulative index of reports and statements filed by multicandidate committees, including in such index a list of multicandidate committees; and

(C) compile and maintain a list of multicandidate committees, which shall be revised and made available monthly;

(7) prepare and publish periodically lists of authorized committees which fail to file reports as required by this Act;

(8) prescribe rules, regulations, and forms to carry out the provisions of this Act, in accordance with the provisions of subsection (d) of this section;

(9) transmit to the President and each House of the Congress no later than June 1 of each year, a report which states in detail the activities of the Commission in carrying out its duties under this Act, and any recommendations for any legislative or other action the Commission considers appropriate; and

(10) serve as a national clearinghouse for the compilation of information and review of procedures with respect to the administration of Federal elections. The Commission may enter into contracts for the purpose of conducting studies under this paragraph. Reports or studies made under this paragraph shall be available to the public upon the payment of the cost thereof, except that copies shall be made available without cost, upon request, to agencies and branches of the Federal Government.

(b) *Audits and field investigations.* The Commission may conduct audits and field investigations of any political committee required to file a report under section 434 of this title. All audits and field investigations concerning the verification for, and receipt and use of, any payments received by a candidate or committee under chapter 95 or chapter 96 of title 26 shall be given priority. Prior to conducting any audit under this subsection, the Commission shall perform an internal review of reports filed by selected committees to determine if the reports filed by a particular committee meet the threshold requirements for substantial compliance with the Act. Such thresholds for compliance shall be established by the Commission. The Commission may, upon an affirmative vote of 4 of its members, conduct an audit and field investigation of any committee which does meet the threshold requirements established by the Commission. Such audit shall be commenced within 30 days of such vote, except that any audit of an authorized committee of a candidate, under the provisions of this subsection, shall be commenced within 6 months of the election for which such committee is authorized.

(c) *Statutory provisions applicable to forms and information-gathering activities.* Any forms prescribed by the Commission under subsection (a)(1) of this section, and any information-gathering activities of the Commission under this Act, shall not be subject to the provisions of section 3512 of title 44, United States Code.

(d) *Rules, regulations, or forms; issuance, procedures applicable, etc.*

(1) Before prescribing any rule, regulation, or form under this section or any other provision of this Act, the Commission shall transmit a statement with respect to such rule, regulation, or form to the Senate and the House of Representatives, in accordance with this subsection. Such statements shall set forth the proposed rule, regulation, or form, and shall contain a detailed explanation and justification of it.

(2) If either House of the Congress does not disapprove by resolution any proposed rule or regulation submitted by the Commission under this section within 30 legislative days after the date of the receipt of such proposed rule or regulation or within 10 legislative days after the date of receipt of such proposed form, the Commission may prescribe such rule, regulation, or form.

(3) For purposes of this subsection, the term "legislative day" means, with respect to statements transmitted to the Senate, any calendar day on which the Senate is in session, and with respect to statements transmitted to the House of Representatives, any calendar day on which the House of Representatives is in session.

(4) For purposes of this subsection, the terms "rule" and "regulation" mean a provision or series of interrelated provisions stating a single, separable rule of law.

(5) (A) A motion to discharge a committee of the Senate from the consideration of a resolution relating to any such rule, regulation, or form or a motion to proceed to the consideration of such a resolution, is highly privileged and shall be decided without debate.

(B) Whenever a committee of the House of Representatives reports any resolution relating to any such form, rule or regulation, it is at any time thereafter in order (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the resolution. The motion is highly privileged and is not debatable. An amendment to the motion is not in order, and is not in order to move to reconsider the vote by which the motion is agreed to or disagreed with.

(e) *Scope of protection for good faith reliance upon rules or regulations.* Notwithstanding any other provision of law, any person who relies upon any rule or regulation prescribed by the Commission in accordance with the provisions of this section and who acts in good faith in accordance with such rule or regulation shall not, as a result of such act, be subject to any sanction provided by this Act or by chapter 95 or chapter 96 of title 26.

(f) *Promulgation of rules, regulations, and forms by Commission and Internal Revenue Service; report to Congress on cooperative efforts.* In prescribing such rules, regulations, and forms under this section, the Commission and the Internal Revenue Service shall consult and work together to promulgate rules, regulations, and forms which are mutually consistent. The Commission shall report to the Congress annually on the steps it has taken to comply with this subsection.

NOTE: *Voting System Study.* Section 302 of Pub. L. No. 96-187 provided that:

> *The Federal Election Commission, with the cooperation and assistance of the National Bureau of Standards, shall conduct a preliminary study with respect to the future development of voluntary engineering and procedural performance standards for voting systems used in the United States. The Commission shall report to the Congress the results of the study, and such report shall include recommendations, if any, for the implementation of a program of such standards (including estimates of the cost and time requirements of implementing such a program). The costs of the study shall be paid out of any funds otherwise available to defray the expenses of the Commission.*

§ 439. Statements filed with State officers; "appropriate State" defined; duties of State officers

(a) (1) A copy of each report and statement required to be filed by any person under this Act shall be filed by such person with the Secretary of State (or equivalent State officer) of the appropriate State, or, if different, the officer of such State who is charged by State law with maintaining State election campaign reports. The chief executive officer of such State shall designate any such officer and notify the Commission of any such designation.

(2) For purposes of this subsection, the term "appropriate State" means—

(A) for statements and reports in connection with the campaign for nomination for election of a candidate to the office of President or Vice President, each State in which an expenditure is made on behalf of the candidate; and

(B) for statements and reports in connection with the campaign for nomination for election, or election, of a candidate to the office of Senator or Representative in, or Delegate or Resident Commissioner to, the Congress, the State in which the candidate seeks election; except that political committees other than authorized committees are only required to file, and Secretaries of State required to keep, that portion of the report applicable to candidates seeking election in that State.

(b) The Secretary of State (or equivalent State officer), or the officer designated under subsection (a)(1) of this section, shall—

(1) receive and maintain in an orderly manner all reports and statements required by this Act to be filed therewith;

(2) keep such reports and statements (either in original filed form or in facsimile copy by microfilm or otherwise) for 2 years after their date of receipt;

(3) make each report and statement filed therewith available as soon as practicable (but within 48 hours of receipt) for public inspection and copying during regular business hours, and permit copying of any such report or statement by hand or by duplicating machine at the request of any person, except that such copying shall be at the expense of the person making the request; and

(4) compile and maintain a current list of all reports and statements pertaining to each candidate.

§ 439a. Use of contributed amounts for certain purposes

(4) The limitations on contributions contained in paragraphs (1) and (2) do not apply to transfers between and among political committees which are national, State, district, or local committees (including any subordinate committee thereof) of the same political party. For purposes of

(5) For purposes of the limitations provided by paragraph (1) and paragraph (2), all contributions made by political committees established or financed or maintained or controlled by any corporation, labor organization, or any other person, including any parent, subsidiary, branch, division, department, or local unit of such corporation, labor organization, or any other person, or by any group of such persons, shall be considered to have been made by a single political committee, except that—

(ii) the limitations contained in this Act on contributions by persons are not exceeded by such transfer; and

(iii) the candidate has not elected to receive any funds under chapter 95 or chapter 96 of title 26.

In any case in which a corporation and any of its subsidiaries, branches, divisions, departments or local units, or a labor organization and any of its subsidiaries, branches, divisions, departments, or local units establish or finance or maintain or control more than one separate segregated fund, all such separate segregated funds shall be treated as a single separate segregated fund for purposes of the limitations provided by paragraph (1) and paragraph (2).

(7) For purposes of this subsection—

(A) contributions to a named candidate made to any political committee authorized by such candidate to accept contributions on his behalf shall be considered to be contributions made to such candidate;

(8) For purposes of the limitations imposed by this section, all contributions made by a person, either directly or indirectly, on behalf of a particular candidate, including contributions which are in any way earmarked or otherwise directed through an intermediary or conduit to such candidate, shall be treated as contributions from such person to such candidate. The intermediary or conduit shall report the

original source and the intended recipient of such contribution to the Commission and to the intended recipient.

(b) *Dollar limits on expenditures by candidates for office of President of the United States.*

(1) No candidate for the office of President of the United States who is eligible under section 9003 of title 26 (relating to condition for eligibility for payments) or under section 9033 of title 26 (relating to eligibility for payments) to receive payments from the Secretary of the Treasury may make expenditures in excess of—

(A) $10,000,000 in the case of a campaign for nomination for election to such office, except the aggregate of expenditures under this subparagraph in any one State shall not exceed the greater of 16 cents multiplied by the voting age population of the State (as certified under subsection (e) of this section), or $200,000; or

(B) $20,000,000 in the case of a campaign for election to such office.

(2) For purposes of this subsection—

(1) At the beginning of each calendar year (commencing in 1976), as there become available necessary data from the Bureau of Labor Statistics of the Department of Labor, the Secretary of Labor shall certify to the Commission and publish in the Federal Register the percent difference between the price index for the 12 months preceding the beginning of such calendar year and the price index for

the base period. Each limitation established by subsection (b) of this section and subsection (d) of this section shall be increased by such percent difference. Each amount so increased shall be the amount in effect for such calendar year.

(2) For purposes of paragraph (1)—

(A) the term "price index" means the average over a calendar year of the Consumer Price Index (all items—United States city average) published monthly by the Bureau of Labor Statistics; and

(B) the term "base period" means the calendar year of 1974.

(d) *Expenditures by national committee, State committee, or subordinate committee of State committee in connection with general election campaign of candidates for Federal office.*

(1) Notwithstanding any other provision of law with respect to limitations on expenditures or limitations on contributions, the national committee of a political party and a State committee of a political party, including any subordinate committee of a State committee, may make expenditures in connection with the general election campaign of candidates for Federal office, subject to the limitations contained in paragraphs (2) and (3) of this subsection.

Any expenditure under this paragraph shall be in addition to any expenditure by a national committee of a political party serving as the principal campaign committee of a candidate for the office of President of the United States.

(3) The national committee of a political party, or a State committee of a political party, including any subordinate committee of a State committee, may not make any expenditure in connection with the general election campaign of a candidate for Federal office in a State who is affiliated with such party which exceeds—

(A) in the case of a candidate for election to the office of Senator, or of Representative from a State which is entitled to only one Representative, the greater of—

(i) 2 cents multiplied by the voting age population of the State (as certified under subsection (e) of this section); or

(ii) $20,000; and

(B) in the case of a candidate for election to the office of Representative, Delegate, or Resident Commissioner of any other State, $10,000.

(e) *Certification and publication of estimated voting age population.* During the first week of January 1975, and every subsequent year, the Secretary of Commerce shall certify to the Commission and publish in the Federal Register an estimate of the voting age population of the United States, of each State, and of each congressional district as of the first day of July next preceding the date of certification. The term "voting age population" means resident population, 18 years of age or older.

(f) *Prohibited contributions and expenditures.* No candidate or political committee shall knowingly accept any contribution or make any expenditure in violation of the provisions of this section. No officer or employee of a political committee shall knowingly accept a contribution made for the benefit or use of a candidate, or knowingly make any expenditure on behalf of a candidate, in violation of any limitation imposed on contributions and expenditures under this section.

(g) *Attribution of multi-state expenditures to candidate's expenditure limitation in each State.* The Commission shall prescribe rules under which any expenditure by a candidate for presidential nominations for use in 2 or more States shall be attributed to such candidate's expenditure limitation in each such State, based on the voting age population in such State which can reasonably be expected to be influenced by such expenditure.

(h) *Senatorial candidates.* Notwithstanding any other provision of this Act, amounts totaling not more than $17,500 may be contributed to a candidate for nomination for election, or for election, to the United States Senate during the year in which an election is held in which he is such a candidate, by the Republican or Democratic Senatorial Campaign Committee, or the national committee of a political party, or any combination of such committees.

(5) Notwithstanding any other law, any method of soliciting voluntary contributions or of facilitating the making of voluntary contributions to a separate segregated fund established by a corporation, permitted by law to corporations with regard to stockholders and executive or administrative personnel, shall also be permitted to labor organizations with regard to their members.

(6) Any corporation, including its subsidiaries, branches, divisions, and affiliates, that utilizes a method of soliciting voluntary contributions or facilitating the making of voluntary contributions, shall make available such method, on written request and at a cost sufficient only to reimburse the corporation for the expenses incurred thereby, to a labor organization representing any members working for such corporation, its subsidiaries, branches, divisions, and affiliates.

(A) incurred—

(i) by the candidate of a political party for the office of President to further his election to such office or to further the election of the candidate of such political party for the office of Vice President, or both,

(ii) by the candidate of a political party for the office of Vice President to further his election to such office or to further the election of the candidate of such political party for the office of President, or both, or

(iii) by an authorized committee of the candidates of a political party for the offices of President and Vice President to further the election of either or both of such candidates to such offices,

(B) incurred within the expenditure report period (as defined in paragraph (12)), or incurred before the beginning of such period to the extent such expense is for property, services, or facilities used during such period, and

(C) neither the incurring nor payment of which constitutes a violation of any law of the United States or of the State in which such expense is incurred or paid.

An expense shall be considered as incurred by a candidate or an authorized committee if it is incurred by a person authorized by such candidate or such committee, as the case may be, to incur such expense on behalf of such candidate or such committee. If an authorized committee of the candidates of a political party for President and Vice President of the United States also incurs expenses to further the election of one or more other individuals to Federal, State, or local elective public office, expenses incurred by such committee which are not specifically to further the election of such other individual or individuals shall be considered as incurred to further the election of such candidates for President and Vice President in such proportion as the Commission prescribes by rules or regulations.

(12) The term "expenditure report period" with respect to any presidential election means—

(A) in the case of a major party, the period beginning with the first day of September before the election, or, if earlier, with the date on which such major party at its national convention nominated its candidate for election to the office of President of the United States, and ending 30 days after the date of the presidential election; and

(B) in the case of a party which is not a major party, the same period as the expenditure report period of the major party which has the shortest expenditure report period for such presidential election under subparagraph (A).

§ 9003. Condition for eligibility for payments

(a) *In general.* In order to be eligible to receive any payments under section 9006, the candidates of a political party in a presidential election shall, in writing—

(1) agree to obtain and furnish to the Commission such evidence as it may request of the qualified campaign expenses of such candidates,

(2) agree to keep and furnish to the Commission such records, books, and other information as it may request, and

(3) agree to an audit and examination by the Commission under section 9007 and to pay any amounts required to be paid under such section.

(b) *Major parties.* In order to be eligible to receive any payments under section 9006, the candidates of a major party in a presidential election shall certify to the Commission, under penalty of perjury, that—

(1) such candidates and their authorized committees will not incur qualified campaign expenses in excess of the aggregate payments to which they will be entitled under section 9004, and

(2) no contributions to defray qualified campaign expenses have been or will be accepted by such candidates or any of their authorized committees except to the extent necessary to make up any deficiency in payments received out of the fund on account of the application of section 9006(c), and no contributions to defray expenses which would be qualified campaign expenses but for subparagraph (C) of section 9002(11) have been or will be accepted by such candidates or any of their authorized committees.

Such certification shall be made within such time prior to the day of the presidential election as the Commission shall prescribe by rules or regulations.

(c) *Minor and new parties.* In order to be eligible to receive any payments under section 9006, the candidates of a minor or new party in a presidential election shall certify to the Commission under penalty of perjury, that—

(1) such candidates and their authorized committees will not incur qualified campaign expenses in excess of the aggregate payments to which the eligible candidates of a major party are entitled under section 9004, and

(2) such candidates and their authorized committees will accept and expend or retain contributions to defray qualified campaign expenses only to the extent that the qualified campaign expenses incurred by such candidates and their authorized committees certified to under paragraph (1) exceed the aggregate payments received by such candidates out of the fund pursuant to section 9006.

Such certification shall be made within such time prior to the day of the presidential election as the Commission shall prescribe by rules or regulations.

(d) *Withdrawal by candidate.* In any case in which an individual ceases to be a candidate as a result of the operation of the last sentence of section 9002(2), such individual—

(1) shall no longer be eligible to receive any payments under section 9006, except that such individual shall be eligible to receive payments under such section to defray qualified campaign expenses incurred while actively seeking election to the office of President of the United States or to the office of Vice President of the United States in more than one State; and

(2) shall pay to the Secretary, as soon as practicable after the date upon which such individual ceases to be a candidate, an amount equal to the amount of payments received by such individual under section 9006 which are not used to defray qualified campaign expenses

§ 9004. Entitlement of eligible candidates to payments

(a) *In general.* Subject to the provisions of this chapter—

(1) The eligible candidates of each major party in a presidential election shall be entitled to equal payments under section 9006 in an amount which, in the aggregate, shall not exceed the expenditure limitations applicable to such candidates under section 441a(b)(1)(B) of title 2.

(2) (A) The eligible candidates of a minor party in a presidential election shall be entitled to payments under section 9006 equal in the aggregate to an amount which bears the same ratio to the amount allowed under paragraph (1) for a major party as the number of popular votes received by the candidate for President of the minor party, as such candidate, in the preceding presidential election bears to the average number of popular votes received by the candidates for President

of the major parties in the preceding presidential election.

(B) If the candidate of one or more political parties (not including a major party) for the office of President was a candidate for such office in the preceding presidential election and received 5 percent or more but less than 25 percent of the total number of popular votes received by all candidates for such office, such candidate and his running mate for the office of Vice President, upon compliance with the provisions of section 9003(a) and (c), shall be treated as eligible candidates entitled to payments under section 9006 in an amount computed as provided in subparagraph (A) by taking into account all the popular votes received by such candidate for the office of President in the preceding presidential election. If eligible candidates of a minor party are entitled to payments under this subparagraph, such entitlement shall be reduced by the amount of the entitlement allowed under subparagraph (A).

(3) The eligible candidates of a minor party or a new party in a presidential election whose candidate for President in such election receives, as such candidate, 5 percent or more of the total number of popular votes cast for the office of President in such election shall be entitled to payments under section 9006 equal in the aggregate to an amount which bears the same ratio to the amount allowed under paragraph (1) for a major party as the number of popular votes received by such candidate in such election bears to the average number of popular votes received in such election by the candidates for President of the major parties. In the case of eligible candidates entitled to payments under paragraph (2), the amount allowable under this paragraph shall be limited to the amount, if any, by which the entitlement under the preceding sentence exceeds the amount of the entitlement under paragraph (2).

(b) *Limitations.* The aggregate payments to which the eligible candidates of a political party shall be entitled under subsections (a)(2) and (3) with respect to a presidential election shall not exceed an amount equal to the lower of—

(1) the amount of qualified campaign expenses incurred by such eligible candidates and their authorized committees, reduced by the amount of contributions to defray

qualified campaign expenses received and expended or retained by such eligible candidates and such committees, or

(2) the aggregate payments to which the eligible candidates of a major party are entitled under subsection (a)(1), reduced by the amount of contributions described in paragraph (1) of this subsection.

(c) *Restrictions.* The eligible candidates of a political party shall be entitled to payments under subsection (a) only—

(1) to defray qualified campaign expenses incurred by such eligible candidates or their authorized committees, or

(2) to repay loans the proceeds of which were used to defray such qualified campaign expenses, or otherwise to restore funds (other than contributions to defray qualified campaign expenses received and expended by such candidates or such committees) used to defray such qualified campaign expenses.

(d) *Expenditures from personal funds.* In order to be eligible to receive any payment under section 9006, the candidate of a major, minor, or new party in an election for the office of President shall certify to the Commission, under penalty of perjury, that such candidate will not knowingly make expenditures from his personal funds, or the personal funds of his immediate family, in connection with his campaign for election to the office of President in excess of, in the aggregate, $50,000. For purposes of this subsection, expenditures from personal funds made by a candidate of a major, minor, or new party for the office of Vice President shall be considered to be expenditures by the candidate of such party for the office of President.

(e) *Definition of immediate family.* For purposes of subsection (d), the term "immediate family" means a candidate's spouse, and any child, parent, grandparent, brother, half-brother, sister, or half-sister of the candidate, and the spouses of such persons.

§ 9005. Certification by Commission

(a) *Initial certifications.* Not later than 10 days after the candidates of a political party for President and Vice President of the United States have met all applicable conditions for eligibility to receive payments under this chapter set forth in section 9003, the Commission shall certify to the Secretary of the Treasury for payment to such eligible candidates under section 9006 payment in full of amounts to which such candidates are entitled under section 9004.

(b) *Finality of certifications and determinations.* Initial certifications by the Commission under subsection (a), and all determinations made by it under this chapter, shall be final and conclusive, except to the extent that they are subject to examination and audit by the Commission under section 9007 and judicial review under section 9011.

§ 9006. Payments to eligible candidates

(a) *Establishment of campaign fund.* There is hereby established on the books of the Treasury of the United States a special fund to be known as the "Presidential Election Campaign Fund." The Secretary of the Treasury shall, from time to time, transfer to the fund an amount not in excess of the sum of the amounts designated (subsequent to the previous Presidential election) to the fund by individuals under section 6096. There is appropriated to the fund for each fiscal year, out of amounts in the general fund of the Treasury not otherwise appropriated, an amount equal to the amounts so designated during each fiscal year, which shall remain available to the fund without fiscal year limitation.

(b) *Payments from the fund.* Upon receipt of a certification from the Commission under section 9005 for payment to the eligible candidates of a political party, the Secretary of the Treasury shall pay to such candidates out of the fund the amount certified by the Commission. Amounts paid to any such candidates shall be under the control of such candidates.

(c) *Insufficient amounts in fund.* If at the time of a certification by the Commission under section 9005 for payment to the eligible candidates of a political party, the Secretary determines that the moneys in the fund are not, or may not be, sufficient to satisfy the full entitlements of the eligible candidates of all political parties, he shall withhold from such payment such amount as he determines to be necessary to assure that the eligible candidates of each political party will receive their pro rata share of their full entitlement. Amounts withheld by reason of the preceding sentence shall be paid when the Secretary determines that there are sufficient moneys in the fund to pay such amounts, or portions thereof, to all eligible candidates from whom amounts have been withheld, but, if there are not sufficient moneys in the fund to satisfy the full entitlement of the eligible candidates of all political parties, the amounts so withheld shall be paid in such manner that the eligible candidates of each political party receive their pro rata share of their full entitlement. In any case in which the Secretary determines that there are insufficient moneys in the fund to make payments under subsection (b), section 9008(b)(3), and section 9037(b), moneys shall not be made available from any other source for the purpose of making such payments.

§ 9007. Examinations and audits; repayments

(a) *Examinations and audits.* After each presidential election, the Commission shall conduct a thorough examination and audit of the qualified campaign expenses of the candidates of each political party for President and Vice President.

(b) *Repayments.*

(1) If the Commission determines that any portion of the payments made to the eligible candidates of a political party under section 9006 was in excess of the aggregate payments to which candidates were entitled under section 9004, it shall so notify such candidates, and such candidates shall pay to the Secretary of the Treasury an amount equal to such portion.

(2) If the Commission determines that the eligible candidates of a political party and their authorized committees incurred qualified campaign expenses in excess of the aggregate payments to which the eligible candidates of a major party were entitled under section 9004, it shall notify such candidates of the amount of such excess and such candidates shall pay to the Secretary of the Treasury an amount equal to such amount.

(3) If the Commission determines that the eligible candidates of a major party or any authorized committee of such candidates accepted contributions (other than contributions to make up deficiencies in payments out of the fund on account of the application of section 9006(c)) to defray qualified campaign expenses (other than qualified campaign expenses with respect to which payment is required under paragraph (2)), it shall notify such candidates of the amount of the contributions so accepted, and such candidates shall pay to the Secretary of the Treasury an amount equal to such amount.

(4) If the Commission determines that any amount of any payment made to the eligible candidates of a political party under section 9006 was used for any purpose other than—

(A) to defray the qualified campaign expenses with respect to which such payment was made, or

(B) to repay loans the proceeds of which were used, or otherwise to restore funds (other than contributions to defray qualified campaign expenses which were received and expended) which were used to defray such qualified campaign expenses,

it shall notify such candidates of the amount so used, and such candidates shall pay to the Secretary of the Treasury an amount equal to such amount.

(5) No payment shall be required from the eligible candidates of a political party under this subsection to the extent that such payment, when added to other payments required from such candidates under this subsection, exceeds the amount of payments received by such candidates under section 9006.

(c) *Notification.* No notification shall be made by the Commission under subsection (b) with respect to a presidential election more than 3 years after the day of such election.

(d) *Deposit of repayments.* All payments received by the Secretary of the Treasury under subsection (b) shall be deposited by him in the general fund of the Treasury.

§ 9008. Payments for presidential nominating conventions

(a) *Establishment of accounts.* The Secretary shall maintain in the fund, in addition to any account which he maintains under section 9006(a), a separate account for the national committee of each major party and minor party. The Secretary shall deposit in each such account an amount equal to the amount which each such committee may receive under subsection (b). Such deposits shall be drawn from amounts designated by individuals under section 6096 and shall be made before any transfer is made to any account for any eligible candidate under section 9006(a).

(b) *Entitlement to payments from the fund.*

(1) *Major parties.* Subject to the provisions of this section, the national committee of a major party shall be entitled to payments under paragraph (3), with respect to any presidential nominating convention, in amounts which, in the aggregate, shall not exceed $4,000,000.

(2) *Minor parties.* Subject to the provisions of this section, the national committee of a minor party shall be entitled to payments under paragraph (3), with respect to any presidential nominating convention, in amounts which, in the aggregate, shall not exceed an amount which bears the same ratio to the amount the national committee of a major

party is entitled to receive under paragraph (1) as the number of popular votes received by the candidate for president of the minor party, as such candidate, in the preceding Presidential election bears to the average number of popular votes received by the candidates for President of the United States of the major parties in the preceding Presidential election.

(3) *Payments.* Upon receipt of certification from the Commission under subsection (g), the Secretary shall make payments from the appropriate account maintained under subsection (a) to the national committee of a major party or minor party which elects to receive its entitlement under this subsection. Such payments shall be available for use by such committee in accordance with the provisions of subsection (c).

(4) *Limitation.* Payments to the national committee of a major party or minor party under this subsection, from the account designated for such committee shall be limited to the amounts in such account at the time of payment.

(5) *Adjustment of entitlements.* The entitlements established by this subsection shall be adjusted in the same manner as expenditure limitations established by section 441a(b) and section 441a(d) of title 2, United States Code, are adjusted pursuant to the provisions of section 441a(c) of such title.

(c) *Use of funds.* No part of any payment made under subsection (b) shall be used to defray the expenses of any candidate or delegate who is participating in any presidential nominating convention. Such payments shall be used only—

(1) to defray expenses incurred with respect to a presidential nominating convention (including the payment of deposits) by or on behalf of the national committee receiving such payments; or

(2) to repay loans the proceeds of which were used to defray such expenses, or otherwise to restore funds (other than contributions to defray such expenses received by such committee) used to defray such expenses.

(d) *Limitation of expenditures.*

(1) *Major parties.* Except as provided by paragraph (3), the national committee of a major party may not make expenditures with respect to a presidential nominating convention which, in the aggregate, exceed the amount of pay-

ments to which such committee is entitled under subsection (b)(1).

(2) *Minor parties.* Except as provided by paragraph (3), the national committee of a minor party may not make expenditures with respect to a presidential nominating convention which, in the aggregate, exceed the amount of the entitlement of the national committee of a major party under subsection (b)(1).

(3) *Exception.* The Commission may authorize the national committee of a major party or minor party to make expenditures which, in the aggregate, exceed the limitation established by paragraph (1) or paragraph (2) of this subsection. Such authorization shall be based upon a determination by the Commission that, due to extraordinary and unforeseen circumstances, such expenditures are necessary to assure the effective operation of the presidential nominating convention by such committee.

(4) *Provision of legal or accounting services.* For purposes of this section, the payment, by any person other than the national committee of a political party (unless the person paying for such services is a person other than the regular employer of the individual rendering such services) of compensation to any individual for legal or accounting services rendered to or on behalf of the national committee of a political party shall not be treated as an expenditure made by or on behalf of such committee with respect to its limitations on presidential nominating convention expenses.

(e) *Availability of payments.* The national committee of a major party or minor party may receive payments under subsection (b)(3) beginning on July 1 of the calendar year immediately preceding the calendar year in which a presidential nominating convention of the political party involved is held.

(f) *Transfer to the fund.* If, after the close of a presidential nominating convention and after the national committee of the political party involved has been paid the amount which it is entitled to receive under this section, there are moneys remaining in the account of such national committee, the Secretary shall transfer the moneys so remaining to the fund.

(g) *Certification by Commission.* Any major party or minor party may file a statement with the Commission in such form and manner and at such times as it may require, designating the national committee of such party. Such statement shall include the information required by section 433(b) of title 2, together with such additional information as the Commission may require.

Upon receipt of a statement filed under the preceding sentences, the Commission promptly shall verify such statement according to such procedures and criteria as it may establish and shall certify to the Secretary for payment in full to any such committee of amounts to which such committee may be entitled under subsection (b). Such certifications shall be subject to an examination and audit which the Commission shall conduct no later than December 31 of the calendar year in which the presidential nominating convention involved is held.

(h) *Repayments.* The Commission shall have the same authority to require repayments from the national committee of a major party or a minor party as it has with respect to repayments from any eligible candidate under section 9007(b). The provisions of section 9007(c) and section 9007(d) shall apply with respect to any repayment required by the Commission under this subsection.

§ 9009. Reports to Congress; regulations

(a) *Reports.* The Commission shall, as soon as practicable after each presidential election, submit a full report to the Senate and House of Representatives setting forth—

(1) the qualified campaign expenses (shown in such detail as the Commission determines necessary) incurred by the candidates of each political party and their authorized committees;

(2) the amounts certified by it under section 9005 for payment to the eligible candidates of each political party;

(3) the amount of payments, if any, required from such candidates under section 9007, and the reasons for each payment required;

(4) the expenses incurred by the national committee of a major party or minor party with respect to a presidential nominating convention;

(5) the amounts certified by it under section 9008(g) for payment to each such committee; and

(6) the amount of payments, if any, required from such committees under section 9008(h), and the reasons for each such payment.

Each report submitted pursuant to this section shall be printed as a Senate document.

(b) *Regulations, etc.* The Commission is authorized to prescribe such rules and regulations in accordance with the provisions of subsection (c), to conduct such examinations and audits (in addition to the examinations and audits required by section 9007(a)), to conduct such investigations, and to require the keeping and submission of such books, records, and information, as it deems necessary to carry out the functions and duties imposed on it by this chapter.

(c) *Review of regulations.*

(1) The Commission, before prescribing any rule or regulation under subsection (b), shall transmit a statement with respect to such rule or regulation to the Senate and to the House of Representatives, in accordance with the provisions of this subsection. Such statement shall set forth the proposed rule or regulation and shall contain a detailed explanation and justification of such rule or regulation.

(2) If either such House does not, through appropriate action, disapprove the proposed rule or regulation set forth in such statement no later than 30 legislative days after receipt of such statement, then the Commission may prescribe such rule or regulation. Whenever a committee of the House of Representatives reports any resolution relating to any such rule or regulation, it is at any time thereafter in order (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the resolution. The motion is highly privileged and is not debatable. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to. The Commission may not prescribe any rule or regulation which is disapproved by either such House under this paragraph.

(3) For purposes of this subsection, the term "legislative days" does not include any calendar day on which both Houses of the Congress are not in session.

(4) For purposes of this subsection, the term "rule or regulation" means a provision or series of interrelated provisions stating a single separable rule of law.

§ 9010. Participation by Commission in judicial proceedings

(a) *Appearance by counsel.* The Commission is authorized to appear in and defend against any action filed under section 9011, either by attorneys employed in its office or by counsel whom it may appoint without regard to the provisions of title 5, United States Code, governing appointments in the competitive service, and whose compensation it may fix without regard to the provisions of chapter 51 and subchapter III of chapter 53 of such title.

(b) *Recovery of certain payments.* The Commission is authorized through attorneys and counsel described in subsection (a) to appear in the district courts of the United States to seek recovery of any amounts determined to be payable to the Secretary of the Treasury as a result of examination and audit made pursuant to section 9007.

(c) *Declaratory and injunctive relief.* The Commission is authorized through attorneys and counsel described in subsection (a) to petition the courts of the United States for declaratory or injunctive relief concerning any civil matter covered by the provisions of this subtitle or section 6096. Upon application of the Commission an action brought pursuant to this subsection shall be heard and determined by a court of three judges in accordance with the provisions of section 2284 of title 28, United States Code, and any appeal shall lie to the Supreme Court.

(d) *Appeal.* The Commission is authorized on behalf of the United States to appeal from, and to petition the Supreme Court for certiorari to review, judgments or decrees entered with respect to actions in which it appears pursuant to the authority provided in this section.

§ 9011. Judicial review

(a) *Review of certification, determination, or other action by the Commission.* Any certification, determination, or other action by the Commission made or taken pursuant to the provisions of this chapter shall be subject to review by the United States Court of Appeals for the District of Columbia upon petition filed in such Court by any interested person. Any petition filed pursuant to this section shall be filed within thirty days after the certification, determination, or other action by the Commission for which review is sought.

(b) *Suits to implement chapter.*

(1) The Commission, the national committee of any political party, and individuals eligible to vote for President are authorized to institute such actions, including actions for declaratory judgment or injunctive relief, as may be appropriate to implement or construe any provisions of this chapter.

(2) The district courts of the United States shall have jurisdiction of proceedings instituted pursuant to this subsection and shall exercise the same without regard to whether a

person asserting rights under provisions of this subsection shall have exhausted any administrative or other remedies that may be provided at law. Such proceedings shall be heard and determined by a court of three judges in accordance with the provisions of section 2284 of title 28, United States Code, and any appeal shall lie to the Supreme Court.

(1) Except as provided in paragraph (2), it shall be unlawful for any political committee which is not an authorized committee with respect to the eligible candidates of a political party for President and Vice President in a presidential election knowingly and willfully to incur expenditures to further the election of such candidates, which would constitute qualified campaign expenses if incurred by an authorized committee of such candidates, in an aggregate amount exceeding $1,000.

§ 9033. Eligibility for payments

(a) *Conditions.* To be eligible to receive payments under section 9037, a candidate shall, in writing—

(1) agree to obtain and furnish to the Commission any evidence it may request of qualified campaign expenses,

(2) agree to keep and furnish to the Commission any records, books, and other information it may request, and

(3) agree to an audit and examination by the Commission under section 9038 and to pay any amounts required to be paid under such section.

(b) *Expense limitation; declaration of intent; minimum contributions.* To be eligible to receive payments under section 9037, a candidate shall certify to the Commission that—

(1) the candidate and his authorized committees will not incur qualified campaign expenses in excess of the limitations on such expenses under section 9035,

(c) *Termination of payments.*

(1) *General rule.* Except as provided by paragraph (2), no payment shall be made to any individual under section 9037—

(A) if such individual ceases to be a candidate as a result of the operation of the last sentence of section 9032(2); or

(B) more than 30 days after the date of the second consecutive primary election in which such individual receives less than 10 percent of the number of votes cast for all candidates of the same party for the same office in such primary election, if such individual permitted or authorized the appearance of his name on the ballot, unless such individual certifies to the Commission that he will not be an active candidate in the primary involved.

(2) *Qualified campaign expenses; payments to Secretary.* Any candidate who is ineligible under paragraph (1) to receive any payments under section 9037 shall be eligible to continue to receive payments under section 9037 to defray qualified campaign expenses incurred before the date upon which such candidate becomes ineligible under paragraph (1).

(3) *Calculation of voting percentage.* For purposes of paragraph (1)(B), if the primary elections involved are held in more than one State on the same date, a candidate shall be treated as receiving that percentage of the votes on such date which he received in the primary election conducted on such date in which he received the greatest percentage vote.

(4) *Reestablishment of eligibility.*

(A) In any case in which an individual is ineligible to receive payments under section 9037 as a result of the operation of paragraph (1)(A), the Commission may subsequently determine that such individual is a candidate upon a finding that such individual is actively seeking election to the office of President of the United States in more than one State. The Commission shall make such determination without requiring such individual to reestablish his eligibility to receive payments under subsection (a).

(B) Notwithstanding the provisions of paragraph (1)(B), a candidate whose payments have been terminated under paragraph (1)(B) may again receive payments (including amounts he would have received but for paragraph (1)(B)) if he receives 20 percent or more of the total number of votes cast for candidates of the same party in a primary election held after the date on which the election was held which was the basis for terminating payments to him.

§ 9034. Entitlement of eligible candidates to payments

(a) *In general.* Every candidate who is eligible to receive payments under section 9033 is entitled to payments under section 9037 in an amount equal to the amount of each contribution received by such candidate on or after the beginning of the calendar year immediately preceding the calendar year of the presidential election with respect to which such candidate is seeking nomination, or by his authorized committees, disregarding any amount of contributions from any person to the extent that the total of the amounts contributed by such person on or after the beginning of such preceding calendar year exceeds $250. For purposes of this subsection and section 9033(b), the term "contribution" means a gift of money made by a written instrument which identifies the person making the contribution by full name and mailing address, but does not include a subscription, loan, advance, or deposit of money, or anything of value or anything described in subparagraph (B), (C), or (D) of section 9032(4).

(b) *Limitations.* The total amount of payments to which a candidate is entitled under subsection (a) shall not exceed 50 percent of the expenditure limitation applicable under section 441a(b)(1)(A) of title 2.

§ 9035. Qualified campaign expense limitations

(a) *Expenditure limitations.* No candidate shall knowingly incur qualified campaign expenses in excess of the expenditure limitation applicable under section 441a(b)(1)(A) of title 2, and no candidate shall knowingly make expenditures from his personal funds, or the personal funds of his immediate family, in connection with his campaign for nomination for election to the office of President in excess of, in the aggregate, $50,000.

(b) *Definition of immediate family.* For purposes of this section, the term "immediate family" means a candidate's spouse, and any child, parent, grandparent, brother, half-brother, sister, or half-sister of the candidate, and the spouses of such persons.

§ 9036. Certification by Commission

(a) *Initial certifications.* Not later than 10 days after a candidate establishes his eligibility under section 9033 to receive payments under section 9037, the Commission shall certify to the Secretary for payment to such candidate under section 9037 payment in full of amounts to which such candidate is entitled under section 9034. The Commission shall make such additional certifications as may be necessary to permit candidates to receive payments for contributions under section 9037.

(b) *Finality of determinations.* Initial certifications by the Commission under subsection (a), and all determinations made by it under this chapter, are final and conclusive, except to the extent that they are subject to examination and audit by the Commission under section 9038 and judicial review under section 9041.

§ 9037. Payments to eligible candidates

(a) *Establishment of account.* The Secretary shall maintain in the Presidential Election Campaign Fund established by section 9006(a), in addition to any account which he maintains under such section, a separate account to be known as the Presidential Primary Matching Payment Account. The Secretary shall deposit into the matching payment account, for use by the candidate of any political party who is eligible to receive payments under section 9033, the amount available after the Secretary determines that amounts for payments under section 9006(c) and for payments under section 9008(b)(3) are available for such payments.

(b) *Payments from the matching payment account.* Upon receipt of a certification from the Commission under section 9036, but not before the beginning of the matching payment period, the Secretary shall promptly transfer the amount certified by the Commission from the matching payment account to the candidate. In making such transfers to candidates of the same political party, the Secretary shall seek to achieve an equitable distribution of funds available under subsection (a), and the Secretary shall take into account, in seeking to achieve an equitable distribution, the sequence in which such certifications are received.

§ 9038. Examinations and audits; repayments

(a) *Examinations and audits.* After each matching payment period, the Commission shall conduct a thorough examination and audit of the qualified campaign expenses of every candidate and his authorized committees who received payments under section 9037.

(b) *Repayments.*

(1) If the Commission determines that any portion of the payments made to a candidate from the matching payment account was in excess of the aggregate amount of payments to which such candidate was entitled under section

9034, it shall notify the candidate, and the candidate shall pay to the Secretary an amount equal to the amount of excess payments.

(2) If the Commission determines that any amount of any payment made to a candidate from the matching payment account was used for any purpose other than—

(A) to defray the qualified campaign expenses with respect to which such payment was made, or

(B) to repay loans the proceeds of which were used, or otherwise to restore funds (other than contributions to defray qualified campaign expenses which were received and expanded) which were used, to defray qualified campaign expenses,

it shall notify such candidate of the amount so used, and the candidate shall pay to the Secretary an amount equal to such amount.

(3) Amounts received by a candidate from the matching payment account may be retained for the liquidation of all obligations to pay qualified campaign expenses incurred for a period not exceeding 6 months after the end of the matching payment period. After all obligations have been liquidated, that portion of any unexpended balance remaining in the candidate's accounts which bears the same ratio to the total unexpended balance as the total amount received from the matching payment account bears to the total of all deposits made into the candidate's accounts shall be promptly repaid to the matching payment account.

(c) *Notification.* No notification shall be made by the Commission under subsection (b) with respect to a matching payment period more than 3 years after the end of such period.

(d) *Deposit of repayments.* All payments received by the Secretary under subsection (b) shall be deposited by him in the matching payment account.

§ 9039. Reports to Congress; regulations

(a) *Reports.* The Commission shall, as soon as practicable after each matching payment period, submit a full report to the Senate and House of Representatives setting forth—

(1) the qualified campaign expenses (shown in such detail as the Commission determines necessary) incurred by the candidates of each political party and their authorized committees,

(2) the amounts certified by it under section 9036 for payment to each eligible candidate, and

(3) the amount of payments, if any, required from candidates under section 9038, and the reasons for each payment required.

Each report submitted pursuant to this section shall be printed as a Senate document.

(b) *Regulations, etc.* The Commission is authorized to prescribe rules and regulations in accordance with the provisions of subsection (c), to conduct examinations and audits (in addition to the examinations and audits required by section 9038(a)), to conduct investigations, and to require the keeping and submission of any books, records, and information, which it determines to be necessary to carry out its responsibilities under this chapter.

(c) *Review of regulations.*

(1) The Commission, before prescribing any rule or regulation under subsection (b), shall transmit a statement with respect to such rule or regulation to the Senate and to the House of Representatives, in accordance with the provisions of this subsection. Such statement shall set forth the proposed rule or regulation and shall contain a detailed explanation and justification of such rule or regulation.

(2) If either such House does not, through appropriate action, disapprove the proposed rule or regulation set forth in such statement no later than 30 legislative days after receipt of such statement, then the Commission may prescribe such rule or regulation. Whenever a committee of the House of Representatives reports any resolution relating to any such rule or regulation, it is at any time thereafter in order (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the resolution. The motion is highly privileged and is not debatable. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to. The Commission may not prescribe any rule or regulation which is disapproved by either such House under this paragraph.

(3) For purposes of this subsection, the term "legislative days" does not include any calendar day on which both Houses of the Congress are not in session.

(4) For purposes of this subsection, the term "rule or regulation" means a provision or series of interrelated provisions stating a single separable rule of law.

(b) *Recovery of certain payments.* The Commission is authorized, through attorneys and counsel described in subsection (a), to institute actions in the district courts of the United States to seek recovery of any amounts determined to be payable to the Secretary as a result of an examination and audit made pursuant to section 9038.

(c) *Injunctive relief.* The Commission is authorized, through attorneys and counsel described in subsection (a), to petition the courts of the United States for such injunctive relief as is appropriate to implement any provision of this chapter.

(d) *Appeal.* The Commission is authorized on behalf of the United States to appeal from, and to petition the Supreme Court for certiorari to review, judgments or decrees entered with respect to actions in which it appears pursuant to the authority provided in this section.

§ 9041. Judicial review

(a) *Review of agency action by the Commission.* Any agency action by the Commission made under the provisions of this chapter shall be subject to review by the United States Court of Appeals for the District of Columbia Circuit upon petition filed in such court within 30 days after the agency action by the Commission for which review is sought.

(b) *Review procedures.* The provisions of chapter 7 of title 5, United States Code, apply to judicial review of any agency action, as defined in section 551(13) of title 5, United States Code, by the Commission.

(A) to furnish any false, fictitious, or fraudulent evidence, books, or information to the Commission under this chapter, or to include in any evidence, books, or information so furnished any misrepresentation of a material fact, or to falsify or conceal any evidence, books, or information relevant to a certification by the Commission or an examination and audit by the Commission under this chapter, or

(B) to fail to furnish to the Commission any records, books, or information requested by it for purposes of this chapter.

(2) Any person who violates the provisions of paragraph (1) shall be fined not more than $10,000, or imprisoned not more than 5 years, or both.

(d) *Kickbacks and illegal payments.*
